

# Custom Courier Service

## Domestic, in USA

If the dog is being shipped in the USA then we ask that the flight be booked for Friday early am and return late Sun pm. The pup must be 8 weeks or older per airline regulations.

You can call and get a tentative pricing for the flight from Jane at Altour 859 277 8068. Please tell her you would be paying for a flight for DoodleQuest, Kathy Burgess. Tell her the flyer would need to have a dog carried on. Ask what the dog carry on fee is and if you need a health certificate. Most airlines don't require a health certificate. Once you have priced the flight if you wish to proceed please clear with us that we have a courier. We would ask that you meet the courier at your airport. We recommend that you book the flight after your dog has passed its final health exam. If you choose to book your flight early it is at your own risk. If our courier is our trainer then you can also get some personal training if you wish at her contracted rate.

This would be your pricing:
